

Platform Foundation Headboard Brackets

Assembly Instructions

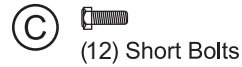

PARTS LIST:

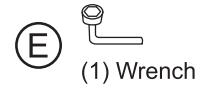

(2) Mounting Adapters

(2) Headboard Brackets

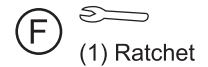

(12) Short Bolts

(1) Wrench

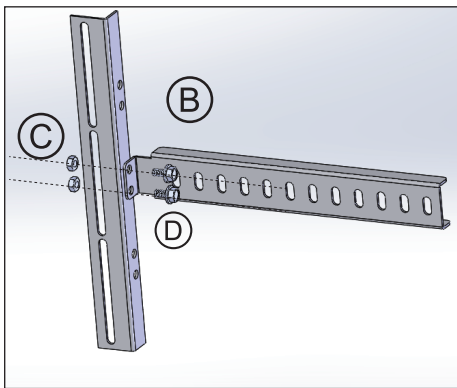

(8) Nuts

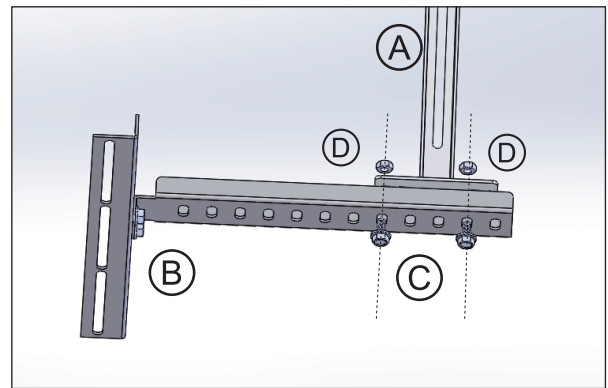

(1) Ratchet

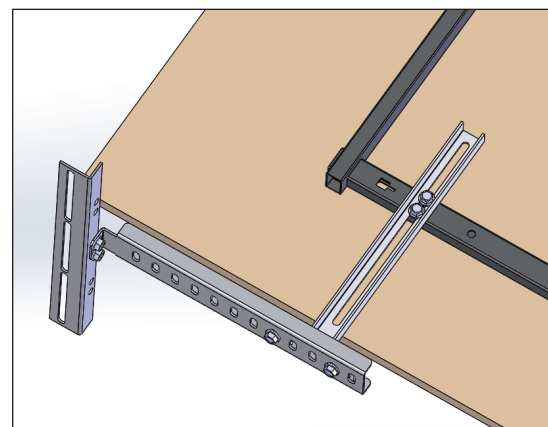

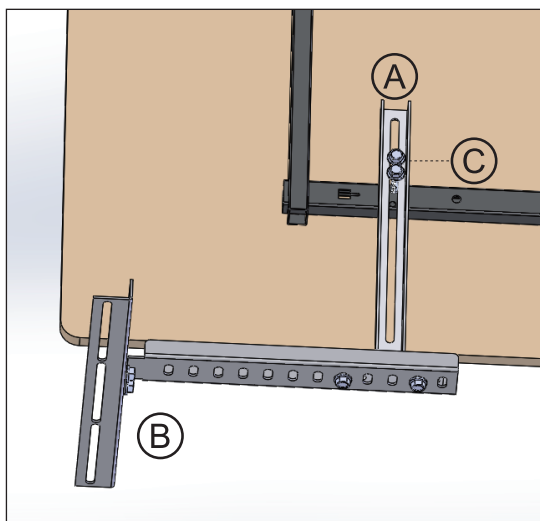

(Step 1): Attach the mounting adapter to the base, but do not fully tighten it yet. Adjust the depth first before securing it completely.

(Step 2): Attach the horizontal rails with holes to the mounting adapter. Again, do not fully tighten the screws until the final step.

(Step 3): Attach the vertical bracket to the horizontal rail bracket.
